Tender Clarification 002

Mexico City, October 7, 2022.

Dear bidders,

Through this tender clarification, we proceed to make the following modifications and clarifications to the scope, which shall be included in your technical / commercial offer:

1) the definitions set in article 2.1 "Definitions" of the technical document 61656-264-SOW-0003 of the Scope of Work, should be replaced for definitions of clause 1 of the Contract.

2) With respect to article 3.3 "Order of Precedence" of the technical document 61656-264-SOW-0003 of the Scope of Work, the precedence ranking set forth therein shall only apply for the purposes of said document.

3) In relation to what is indicated in article 4.1, 2a and 2c, of technical document 61656-264-SOW-0003, Hokchi clarify the following:

- HDD and J tube recovery is mandatory and included in base case as described in the SoW, to be able to reroute the SPC.
- The removal of the rest of SPC is OPTIONAL and shall be included separately in bidders offer.

4) Article 4.1.3.c of the technical document 61656-264-SOW-0003 of Scope of Work shall not apply.

5) All materials listed in article 4.2 of technical document 61656-264-SOW-0003 of Scope of Work will not be provided by Hokchi, but as the purchase of the SPC is part of the Works (as defined in the Contract -Section 1-), said materials shall be considered as bidders responsibilities. For more clarification purposes, Hokchi will assign the SPC contract to the successful bidder of this Tender.

6) Article 4.4. of technical document 61656-264-SOW-0003 shall not apply.

7) Risks mentioned in article 5 "Contractor Risks" of the technical document 61656-264-SOW-0003 shall be considered by the bidder, but not be limited to them. Bidders shall consider all risks associated with the Works.

8) First paragraph of article 7.1 of technical document 61656-264-SOW-0003, is removed from the scope of work and should not be taken into consideration.

Reference text to be deleted: *"7.1 General Requirements CONTRACTOR shall provide Project Management in accordance with Purchase Order Part I – General Terms and Conditions and Purchase Order"*

9) First paragraph of Article 7.3 "Project Execution Plan" of technical document 61656-264-SOW-0003 shall be replaced for the following text:

"CONTRACTOR shall prepare a detailed execution plan (PEP) in accordance with the requirements detailed in the Scope of Work."

10) First paragraph of Article 7.4 "Interface Management" of technical document 61656-264-SOW-0003 shall be replaced for the following text:

	PUBLIC TENDER Engineering, Procurement, Purchase and Installation of a submarine power cable - México	
	Tender Clarification	Pág. 2 de 3

“CONTRACTOR shall identify and manage all internal and external interfaces according to Coordination Process Requirements and any other requirements outlined in this document or the Scope of Work.”

11) Article 8.1 of technical document 61656-264-SOW-0003 of the Scope of Work shall not apply.

12) Second paragraph of article 8.4 of technical document 61656-264-SOW-0003 of the Scope of Work shall not apply.

Removed reference text: *“All specifications, applications, sizes, weights, ratings, and device types shall be reviewed and verified as correct by the CONTRACTOR as part of the detailed engineering and design.”*

13) The technical document 61656-523-DET-0001 and the Generation of Daily Reports Instructive are attached to this tender clarification 002 and shall be consider as part of the scope of work of this public tender.

14) In relation to Annex 6 - National Content, (Anexo 6 – Contenido Nacional), which was launched with the initial package of documentation of this public tender, Hokchi clarifies that the percentage of "30%" stated therein shall not be considered and shall be propose by bidders in their offer.

15) In relation to “Item 1”, of the Key Milestones and Project Phases, indicated in the technical document “Annex D- Project Control Requirements”, Hokchi clarifies the following:

The necessary engineering documentation for permits to be delivered by the Contractor, shall include but not be limited to those listed below and shall be submitted to Company as required by the competent authorities:
